Ideally located at the foot of the Jardin du Luxembourg, in a Haussmann-style building with elegant communal areas - the building where André GIDE lived - this beautiful apartment is on a high floor with lift, enjoys open views and is bathed in sunlight. The 125m² apartment comprises an entrance gallery leading to a semi-open-plan kitchen overlooking the Jardin du Luxembourg, a dining room, a living room, a master bedroom with dressing room and shower room, two children's bedrooms and a bathroom. The layout of the apartment is perfectly optimised with its star-shaped layout and separate night/living areas. There are generous volumes with 3.25 m high ceilings and all the original features have been conserved. The apartment is in perfect condition and the features have been carefully maintained. A service room, also in perfect condition, is available as an extra.
